

# FOOT WASHFREE 3000

## TOUCH-ACTIVATED ELECTRONIC FOOT WASHER

### SPECIFICATIONS

Self-closing, solid brass, wall mounted foot washer. Touch operated. Built-in filter. Internal 9V battery. Maximizes hygiene and saves water. Directional shower head with easily cleanable silicone nozzles. Default flow time is adjustable on site. Unique On/Off function and optional automatic 24 hour hygiene flush.

### OPERATION

Touching the designated area starts an 8 seconds flow cycle. A second touch before the flow time is over will stop the water flow. The flow time is adjustable

on site. Features an optional anti Legionella and freeze protection hygiene flush every 24 hours.

### APPLICATION

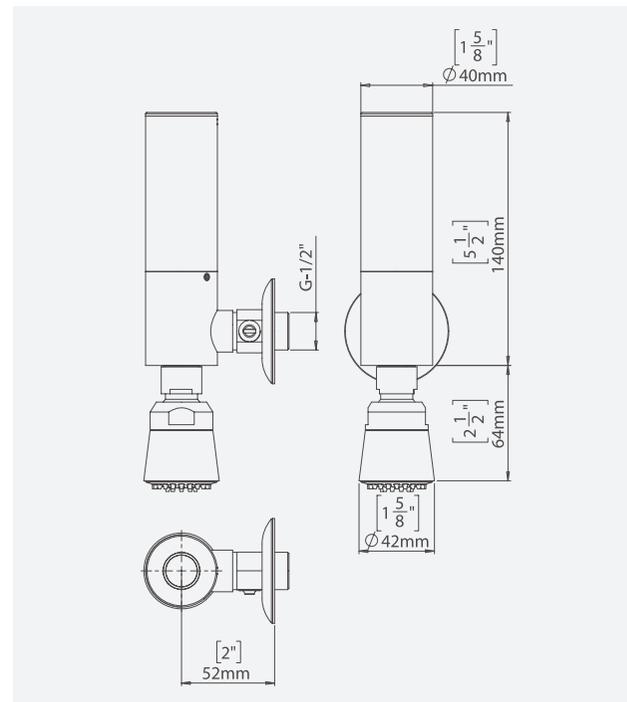

Stern's new self-closing foot wash control provides an electronically-controlled accurate discharge with comfortable operation. Ideal for swimming pools, beaches and ablution at places of worship.
