

RECESSED

Paper towel dispenser + waste bin

DTE0030CS
finish satin

General description

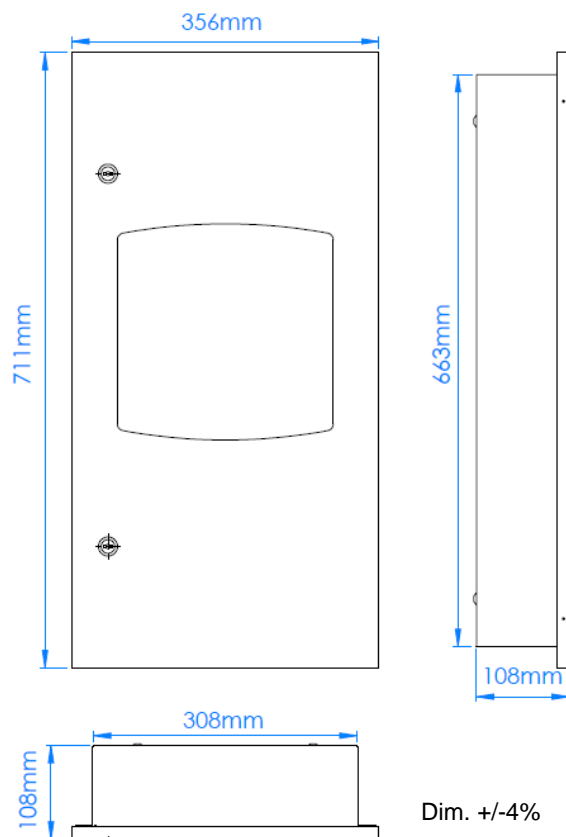

- Multi-purpose cabinet with paper towel dispenser and removable waste bin, to be recessed into the wall, made of stainless steel AISI 304, 0.8 mm thickness.
- Suitable for public toilets of high frequency. This model is specially designed to save space and to have several integrated solutions at the same time.
- With a modern design and manufactured with resistant materials this multi-purpose unit becomes the best solution for sites seeking to innovate.
- The removable bin is made of AISI 304 stainless steel, 0.8 mm thick and has a capacity of 7.6 L.
- The paper towel dispenser can hold between 400 and 600 paper towels C or Z. The towel tray opening has bound edges to minimize tearing of paper towels. It also has a front closure with special key supplied.
